

CROWN Memorandum

Memo Number: 02-0037-GN

TO: ESRD Executive Directors, ESRD Data Managers, Regional Project Officers
FROM: Matthew Leipold, Director, Division of ESRD Systems and Contract Management,
Information Systems Group, OCSQ
DATE: December 19, 2002
SUBJECT: Monthly Notification Status Report

This memo is in reference to CROWN Memorandum No. 28 regarding monthly notification status reports. Attached is the monthly report for December with some enhancements. For this month we have created two Excel files to differentiate between old and new notifications. This change was based on requests received from the Network community. The two files attached are for notifications received in the last 30 days ([notifications_Dec 12 under 30.xls](#)) and for notifications more than 30 days old ([notifications_Dec 12 over 30.xls](#)).

We have also added a new report for Surname notifications in both Excel files. This addition is to assist in the processing of the Hispanic population surname discrepancies.

Again we want to thank all of you for continuing to work through this clean-up effort.
